One Week Look Ahead

Final Architectural and Owner Inspection of the Exhibits and Restrooms are scheduled for next week. The Zoo has moved the Otters into Otter Holding this week, with both the Otters and Grizzly Bears to be introduced to their new exhibits by the end of next week.

Architectural and Owner Punch Out for the Guest Services and Gift Shop Buildings scheduled for next week. Wood Decking and Ice and Water Shield to be installed at the Entry Gate Structure; along with measurements, for the Standing Seam Steel Roof. Hardscape to continue to progress behind the Guest Services and at the Entry Gate Structure. Concrete Pad Placement for Phase II, Mock Up to begin. CMU to Steel Bearing and Grade at Phase II, Holding; with Beams and Columns to be set at SSL Viewing Building.
