

### On-site Race Waiver

I understand that masks are required for this event. I may remove my mask while walking or running but am required to wear it until I am positioned at the start and also after I have completed my walk/run and have cooled down to normal breathing. I also agree to adhere to the CDC (Center for Disease Control) social distancing guidelines and remain 6 feet apart (at a minimum) from other participants I pass on the route and while I am in the cool down area.

I further state that I am in the proper physical condition to participate in this event. I agree not to participate if I am feeling sick or ill, have a fever, or have been in contact with anyone who has COVID-19. If I have had contact with someone infected with COVID-19 within the 14 days prior to the date of this event, I will not attend nor participate in the event. While in attendance, I will not engage in traditional forms of physical contact (hand-shakes, high fives, partner stretching, etc.).

I am aware that if for any reason I am unable to compete in this event, my registration fee is non-refundable. There will be no rain date; this event will be held rain or shine. I understand that I may transfer my registration by Tuesday, April 27, 2021.

I waive any and all claims against Riverbanks Zoo and Garden, sponsors, volunteers, officials, and contributors for illness or injury, which may result directly or indirectly from my participation in this race.

I, the undersigned, hereby acknowledge that I have received, read, and understand the details provided to me via the event Web page and this waiver document.
