

The Aquarium Reptile Conservation Center

Our newly renovated ARCC (*Aquarium Reptile Conservation Center*) is the prime place to celebrate any occasion. Guests can grab a cocktail from the boardwalk on their way in, then trek through the desert and wind their way from land to sea in an immersive journey with new discoveries around every turn. Floor to ceiling views of reptiles and amphibians, along with sights from under the sea including a wall of moon jellyfish, provides a one-of-a-kind atmosphere for event guests to experience. The ARCC is available for private events one hour after the Zoo closes and includes tables, chairs, set up, clean up and an event supervisor.
